# Starting a New Year of Grace

We come to the start of another calendar year of Grace, with the Peace and Joy of the Christmas Festival now past. What Joy we should have in our hearts for what God has done for us through the birth of Jesus Christ, giving us the opportunity to further receive of God's blessings, so that with God's help we may be able to fulfill our responsibilities to our faith, parents and teachers.

When we accept God's invitation our heart will be filled with joy, a joy that only God can give us.

We are all children of God. We are a delight and a joy to Him. God rejoices in the fact that we are now His children. Children bring God much happiness and delight, and God knows His children have now come home.

Every time someone answers God's invitation to become His child, all heaven rejoices with God. Nothing makes God happier and fills Him with greater joy than knowing we are His children. God will never reject us. He always has open arms, ready to pick us up when we are down and He's always ready to listen to us when we need someone to talk to.

God finds great joy in His children and will do everything in His power to encourage them and help them to be all He has created them to be. God wants to share this joy with others through the Holy Spirit living through us all.

A new calendar year is a time when we can talk to our parents about the things we can do in our life to answer God's invitation. A new year is a time when we can start fresh and can create something new and special in our life. We can also remember the great creation God has made for us as 'The Creator' and celebrate His love to us shown in what was created.

Are we willing to let the Holy Spirit share God's joy with others through us and our life?
